## Advisory Centre for Education (ACE)

### Our vision

A fair education system for all

### Our mission

To promote fairness and opportunity in education, we work to:

- empower parents and carers
- encourage changes in education law and policy
- promote good practice in the education system

for the benefit of all children, young people and families

### Our values

We believe that is essential to be:

- independent
- expert
- responsive
- proactive
- collaborative
- inclusive
- accessible

Ensure the  
training needs  
of staff and  
panel members  
are met

## Practical training sessions from an organisation that has a pivotal role in advising on education law, guidance, policy and practice.

We currently offer

### London training seminars

Full day seminars on

- Admissions & admission appeals
- Exclusions & exclusion appeals
- Children out of school
- Special educational needs
- Disability discrimination

Half day seminars on

- How to draft and implement a school's drugs policy
- How to draft and implement a school's anti-bullying policy

### Tailored in-house training

All the above topics tailored to your individual needs in full day, half day, lunchtime or twilight sessions.

### Other training

We are able to provide training in other education law areas on request (subject to availability of staff).

### Accreditation

All ACE Training has CPD accreditation from

- **The Law Society**
- **The Bar Council**
- **The Institute of Legal Executives (ILEX)**

## Benefits of the training

- In-depth and up-to-date knowledge and understanding of policy, law and guidance and its application to everyday educational practice
- A fully comprehensive training manual used extensively during the day and invaluable for future reference
- Added confidence through practical learning
- Personal and career development
- A stimulating day of networking and exchanging ideas with other professionals
